MESSAGE FROM THE PRINCIPAL

Tēnā koutou katoa. Ngā mihi nui, kia koutou katoa. Warm greetings to you all.

My deepest sympathies are with the families directly affected by the tragic event in Christchurch, in particular, those who have suffered immense loss whilst at a time of peace and prayer.

It has been wonderful to see the kindness shown by our school community. Following the schools special assembly and activities last Monday, I have received multiple messages of thanks to wonderful staff for taking such great care in exceptional circumstances by facilitating the special assembly and activities. Teachers have also been thanked personally. With the wellbeing of students and staff being our absolute priority, we will be paying special attention to ensuring everyone’s needs are met at this time.

Please remember if your child requires extra support, don’t hesitate to contact their teacher, in confidence. We have access to support services and counselling and we will do what we can to help.

There are also some valuable resources and advice for parents online. We have put a list of links on our website at:

Connected Whanaungatanga | We belong and we learn together
I wish to reassure parents that we regularly practices drills to prepare the children for these types of events. However, in light of Christchurch schools experience of 'lockdown', we have been proactively reviewing all our Emergency Management Plans with the assistance of New Zealand Police, Wellington Region Emergency and Ministry of Education.

One issue that was highlighted in Christchurch was how important having up to date contact details are. If your contact details change please notify the school office as soon as possible so we can keep our records up to date. Your child will be receiving a copy of the records we hold for them next Monday and we would really appreciate you checking these and getting it back to school office by Friday 5 April.

Thank you to the parents and children who attended Learning Conversations. This was a great opportunity for teachers to connect with families and set learning goals for the year. Please remember that you can always make an appointment with a teacher to share anything that may help with the learning process for your child. Later in the year you will be able to focus on your child’s achievement and progress at further school interviews.

Take care and enjoy the rest of your weekend.

Noho ora mai ra, Mark Brown
Principal – Tumuaki

STUDENT CONTACT INFORMATION

Your child will bring home a copy of the contact information that we hold for them next Monday 1 April. Please check this information, make any changes that may be necessary and return to the school office by Friday 5 April, at the latest. It is vitally important that we have the most up to date information in our system at all times, particularly in the event of an emergency.

HOME & SCHOOL COMMUNICATION

Staff work in ‘whanau’ to foster cooperation and more effective knowledge building; based around student interest and ‘real’ challenges. This means your child may work with a number of teachers and a range of students in the collaborative team. Each student will have their own designated class teacher who has overall responsibility for knowing each child’s strengths and weaknesses, their learning and progress. Should you have any queries about your child’s learning or the teaching programmes, please make contact

Effort Kia Kaha | We give our best in everything we do
On Friday 5th April we will have our school cross country. We begin the day by cheering on the Juniors (Tui and Harakeke) as they run around their circuit at the school. This will start at around 9:15 am. We will need lots of parent help to show the kids which way to go, to support the children and of course take photos.

For our Senior Cross Country (Pohutukawa and Waitangi) we will be running on tracks around McAlister Park and plan to leave school at 10:00am. Please make sure your child has appropriate footwear and clothing, a drink bottle of water, plenty to eat and a jacket, as well as a change of clothes and shoes. If your child is asthmatic, please make sure they have an inhaler with them that day.

We need some parent helpers around to help the kids. If you are able to help please fill in the form that has come home with your child/ren this week and return it to the school office as soon as possible.

We look forward to seeing you there!

HANDSTAND COMPETITION

Bigair Gym loves to support kiwi kids to be active and healthy. Our mission involves encouraging kids to put their devices down and to have fun being active. So, we are again this year launching Bigair Gyms 2019 Handstand Competition!

The school which has the most entries will win a free lunch time gym session with Bigair Gym Coaches! And there’s heaps of prizes for the children who win the varying categories too, which includes the most technically correct handstand, the most creative handstand and the most interesting handstand routine.

More information about this competition will be coming out soon!
We continue to focus on kindness and care of each other. In practical terms...

- We show we care
- We use kind hands
- We notice others
- We go out of our way to help
- We value each other
- We use kind words
- We laugh and cry together
- We include others in our games

Our school values of Whānaungatanga and Manaakitanga are vital to the thriving nature of our school and everyone in it. He iwi tahi tātou, he ako tahi tātou. We belong and learn together.

**ENVIRO WARRIORS**

The 'Get into Nature' group walked to Hataitai Beach on Thursday on a mission to clean it up! We searched high and low, and luckily managed to fill only two bags. We think this speaks to how awesome Wellingtonians are at picking up their rubbish. Kia Kaha to these enviro warriors!

**CREATIVE WRITING & POETRY**

**Winter Train**

On a cold winter’s morning the 903 express sprinting like an olympic runner through the fresh and dense snow cabins rattling like milk bottles soot black smoke puffing out the spout leafless trees lining the railroad sky as black as gorillas’ fur oil lamps glowing like sun’s a blur of Houses all shapes and sizes hear the deafening noise of wheels screeching along the train less track, not a single light for miles deserted footpath fence stretching into the distance feel the cold breeze brushing along your face like fingers

At camp we learnt to work with new people and how to take risks. We did lots of fun activities like looking after an egg, doing high ropes, walking to the waterfall and playing touch. My favourite activity was doing high ropes because it helped me get over my fear of heights. I learnt to trust people because if we didn’t trust we might have fallen. At camp we had lots of good helpers that helped us during camp, like our parents, the high ropes supervisors and our teachers, these people all helped us to make camp happen, without them it wouldn’t have happened. Everything at camp was fun for me, I did not have any challenges.

Yaaaay!!!!
We are finally here. As the bus stopped my eyes were surprised... it’s Wainui camp site. As we were about to rush out. Nicki said “okay everybody sit down.” Everyone was bursting with excitement. After we went out, the cold fresh air hit me. For a second it was disgusting but as we went to the campsite I looked around. I noticed we were surrounded by thick green trees. After matt and wanwan gave us our cabins.

Our cabin buddies were Piri, Brooke, Katrina and Sesilili. Then we got our camp gear set up. After it was afternoon tea.

My highlight was the challenges. I have so many reasons why but my favorite is the Year 6 camp was more than just a big chunk of fun. It was also about getting together and making new friendships and trusting people you thought you might never trust before and it's about being a good family.

By Siiloto Lene

Camp was a time for us to learn about nature, friends, trust and challenges. The activities were cool and interesting and the games were so fun. At the high ropes you could have heard my giggle from a mile away!

One of the games was...Spotlight!
Me and Piri we had a great hiding place. It was near the BBQ- it was best spot in the game.

CABINS: in my cabin was Bella, Sheree, Chloe, Caelyn
And I was the first person awake in my cabin. I thought ‘I wish everyone else would hurry up and wake up’!

My favourite things were the food because Wanwan and Fiona cooked it. My favourite moment was the concert and I got to be MC. We even danced, including the teachers and parents.

“CAMP WAS SO AWESOME”

WHAT PEOPLE LEARNT AND SAID:
People were using kind words like ‘keep going’ and ‘you can do this’ and respecting how other people felt. We learnt new things like being in the wild and different activities like high ropes things.

SPOTLIGHT:
Me (Piri) and Patience were hiding together and all the seekers ran past us. We had told all the parents and teachers that we were there. Heaps of the people were found then they all came running back up to the hall and me and patience popped our heads out and said “no you haven't”.

CABINS:
Me (Piri), Sililoto, Sesilili, Katrina, Brooke were in a cabin together. We will like stay up all night talking. Sesilili would always go to sleep first and she was the first to wake up early. We woke up at like 6 or 5 am. As soon as everybody was awake we started to talk again.

HERE’S WHAT SOME PEOPLE THOUGHT:
Ania - 'I discovered that you don't have to work with people you know well to have strong team.'.
Freya - ‘ I discovered that I am more competitive than I thought ,i wanted to win and win the prize i did my best because of it.
Maddie -i was feeling scared on the high ropes but the encouragement i got made me feel braver and i got there in the end.
SCHOOL SORES | IMPETIGO

We have had a couple cases of school sores. The main symptom is red sores that form around the nose and mouth. The sores rupture, ooze for a few days, then form a yellow-brown crust.

Antibiotics shorten the infection and can help prevent spread to others.

Please see your doctor if you suspect your child has school sores.

PERFORMANCE ASSEMBLY

On the last Friday of the term (12th April), we will be having a special performance assembly for students to showcase their talents. This will be held at 9.30am in the school hall.

As time will be limited in the performance we will be having auditions on Wednesday (3rd April) at lunchtime.

SUPPORTING STUDENTS’ WELLBEING

As we have advertised in the newsletter previously, Billy Anastasiadis-Gray is at Newtown School this year as a student counsellor.

She is at school every Tuesday and Wednesday to meet with students and their families for counselling.

If there is an incident or situation at school and Billy is around, we may ask Billy to talk with students. This would be a one-off situation. If we think your child may benefit from on-going support from Billy, we will ask for your signed consent for this.

If you would like to make an appointment or get more information about counselling, please contact her on: billya@newtown.school.nz

CELLPHONES

Students are not allowed to carry cellphones on them at school. If your child requires a phone so that you can contact them before or after school please ask them to drop it into the office before school and collect it at 3pm.

STUDY SUPPORT

Study Support will be back on board at the beginning of Term 2 for Year 5 and 6 students. Monday-Thursday 3-4.30pm.

More details coming soon or contact Neesha on neeshap@newtown.school.nz for more information.

SCHOOL LUNCHES

At Newtown school we offer two options for bought lunches. These can be purchased online.

Pita Pit is available on Mondays and Sushi is available on Fridays. Please check out the links on kindo for pricing. www.kindo.co.nz

Have you thought about becoming a board member for your school?

Come along to NZSTA’s Kōrari Programme to find out about becoming a school trustee on a school board!

We are holding a community hui at Wellington High School on 1 April 2019 at 6.00 pm in the lead up to this year’s board of trustees’ elections.

At the hui you’ll hear about:

- What is a school board of trustees
- What do trustees do
- What skills do trustees need
- Who can become a trustee
- How do I become a trustee
- Who is on a board of trustees
- How is a board elected
- What help do school trustees get
- How does the board of trustees work

We look forward to seeing you and helping your school’s succession planning!

Kōrari – a programme that provides you with governance training to help you understand the role of school boards of trustees
