Newtown School
Love learning, love life!

Week 11 Final word

What a fantastic term...one like no other!

Have a glance over all these photos full of fun, learning, experiences, mahi and friendships. We have so much to be glad about at Newtown School. Thank you to all our whānau, tamariki and kaiako.

Here's a wee glimpse of what's ahead

PEOPLE GET TOGETHER

- An invitation next term to those of you with a heart for developing our physical spaces; gardens, planting, bike track etc. We will work together to form a plan of development and harness anyone's love of working bees. Watch this space...
- An invitation next term to those of you who are whānau Māori. Some parents are organising a hui together, sharing kai and kōrero. Watch this space...

REMINDER TIME

- Watch what learning will be happening next term. Clues: stars, science, coming to Aotearoa, navigating, waka, Matariki and where your family comes from.
- If you have NO helmet next term then there will be NO bike/scooter/skateboard riding at school. We are worried about precious heads, so remind your tamariki about this rule. Their "wheels" will be put away immediately.

Have a fabulous break filled with rest, some sun, laughter and take time to be thankful. See you in term Two.

TERM 2 DATES - 2 May to 8 July

16 May - Staff Only Day

19 May - School Cross Country

20 May - PINK shirt Day

6 June - Queens Birthday Public Holiday

23 June - Matakriki Breakfast

24 June - Matariki Public Holiday

Karakia - blessing

We had our Karakia - blessing for our garden and compost signs which were designed by our students (some of whom are now at SWIS). It was a very special moment for our artists who have been working so hard at creating amazing Tohu Signs for our areas where we grow kai and keep our compost and worm farm.

EkeRua | ReBicycle Free Bike Fixup

Aimee from EkeRua managed to fix 43 bikes in one day! We apologise to those families whose bikes she didn't get to. ReBicycle have free secondhand bikes to give away, and you can ask to receive one of these bikes by going to their [website](#) and filling in an online form.

We are really pleased with the response to the free bike fixup and we hope to run more events like this in the future.
